1. Six barracks blocks are being constructed in Vollradisroda, near Stadtroda in Thuringia. Each block is designed to accommodate one company. Several tank garages are also being built there. One and one half million DME were put at the disposition of the constructors for the first quarter of 1952, and one million DME for the second quarter.
2. The construction of these installations was initiated by the Soviet construction service in Naumburg. It is being carried out by the VEB Industrieentwurf under Soviet supervision.
